

HOW TO DRAW CIRCLES 😊

Being able to draw circles will help you a lot with doing jewellery designs.

Have a go at drawing circles free-hand, using a compass and drawing around objects. What do you find easiest?

Have a play with different variations of this!

Try drawing circles free-hand

Try drawing 3 the same size next to each other?

Try drawing 3 inside each other with even spacing?

HOW TO DRAW CIRCLES

Draw around something like a bottle lid, a mug, a small coin:

Try to find 5 circles different sizes and arrange them in order
