

## HOW TO WORK OUT YOUR STYLE

Whether you're designing a piece of jewellery for yourself or someone else it's well worth having a good think about what your or their style is.

And their 'lifestyle' too!

We are all different and that's what makes this so interesting and creative!

*Traditional? Modern? Plain? Detailed? Big? Dainty?*

Who are you designing for? Describe their 'style'

*Traditional? Modern? Plain? Detailed? Colourful? Bold?*

What 'type' of jewellery do you think they would like to wear?

*Ring? Pendant? Bracelet? Bangle? Brooch? Anything else?*

What's their 'lifestyle' like?

*Do they do outdoor sports, work in an office, are the clumsy?!*

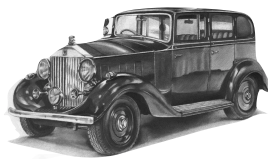

*#SharingtheSparkle*

## HOW TO WORK OUT YOUR STYLE

Draw either a car, picture frame, house or clothing in the style you're going to go for.

*Traditional? Modern? Plain? Detailed? Big? Dainty? Old? New? Smooth? Intricate?*
